Welcome To Our Practice

We would like to thank you for allowing us to treat you as a patient. We are pleased to meet any dental needs you or your family have. We will **always** do our best to give you the most up to date and professional care available. To avoid any confusion, we have listed below some of our office policies and procedures.

- As a courtesy Colson Dental Group will file your dental claim with your insurance company. Your deductible and co-pay or any portion not covered by your insurance company is due at the time of service. For those patients without insurance coverage, **you will be responsible for your payment in full on the day of treatment.**

- **Broken appointments are very costly and inconvenient.** Please inform us at least twenty-four (24) hours in advance if you are unable to keep your appointment. Broken appointments will lead to you and your family being dismissed from our practice. Any non confirmed appointment may be rescheduled.

- If you have Medicaid**, you must have your current Medicaid card with you**. Also, if you are twenty-one (21) years of age or older you are responsible for the $3.00 co-pay. If you do not have a current card we reserve the right to reschedule your appointment.

- If you are more than fifteen (15) minutes late for your appointment, you may be rescheduled for another day. This will be considered a broken appointment.

- All patients under the age of eighteen (18) will not be seen or treated, in the absence of a parent or legal guardian, without a signed consent form.

- You are responsible to pay the cost of collecting any debt owed on your account. This includes all attorney's fees, late fees, and interest to be charged at one percent per month.

By signing below you have read and understood our Notice of Privacy Practices that is posted in our waiting area. A copy of this agreement is available upon request.

Your cooperation is greatly appreciated in this matter. If you have any questions, please feel free to ask our staff.

If you have additional dental insurance please notify our staff.

We are happy to assist you in understanding and filing your insurance for most dental procedures. Please understand that your insurance is a contract between you, your employer and your insurance company. Thus we cannot speak on behalf of your insurance company. We will gladly act as your

advocate but we cannot be responsible for settling any disputed claims or coverage. **Please remember that you are ultimately responsible for your bill.**

If we do not receive payment from your insurance carrier within forty-five (45) days we will notify you. Failure of your insurance carrier to reimburse our office within sixty (60) days will result in our billing you directly for the remaining balance.
